Scheduling

We request that you allow 5 business days in lab for all appliances. If mailing we suggest that you safely schedule 10 working days from the day the order leaves your office until placement. For local deliveries; 5 days total is sufficient. We also request that on the Rx Form, the due date is **1-2 days prior** to your actual date of insertion. RUSH! Services are available. A RUSH! Case is considered less than 2 days in lab and/or overnight delivery.
